## QRZ FROM WARS

Believe it or not, I do believe the WELLESLEY AMATEUR RADIO SOCIETY will finally have Mr. R. Wade Caywood, WIKRD, Sales Manager for the James Millen Manufacturing Company in Malden speak on Tuesday, April 4th at 7:30 PM. Let's keep our fingers crossed over another "Northeaster."

If you have forgotten, Mr. Caywood will lead a discussion on impedance matching. For the past year, there has been some confusion over the use of the Matchbox on 50 ohm lines. This topic will be most timely, so please make every effort to attend.

If you have also forgotten, the Clubroom is located in the basement of the Wellesley Hills Branch Library, located at the Northeast Corner of the intersection of Routes 16 and 9 (210 Washington Street). Entrance is in the rear.
